OPEN GOVERNMENT ACT OF 2007

On Friday, August 3, 2007, the Senate passed S. 849, as amended, as follows:

S. 849

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Openness Promotes Effectiveness in our National Government Act of 2007” or the “OPEN Government Act of 2007”.

SEC. 2. FINDINGS.

Congress finds that—

(1) the Freedom of Information Act was signed into law on July 4, 1966, because the American people believe that—

(A) our constitutional democracy, our system of self-government, and our commitment to popular sovereignty depends upon the consent of the governed;

(B) such consent is not meaningful unless it is informed consent; and

(C) as Justice Black noted in his concurring opinion in *Barr v. Matteo* (360 U.S. 564 (1959)), “The effective functioning of a free government like ours depends largely on the force of an informed public opinion. This calls for the widest possible understanding of the quality of government service rendered by all elective or appointed public officials or employees.”;

(2) the American people firmly believe that our system of government must itself be governed by a presumption of openness;

(3) the Freedom of Information Act establishes a “strong presumption in favor of disclosure” as noted by the United States Supreme Court in *United States Department of State v. Ray* (502 U.S. 164 (1991)), a presumption that applies to all agencies governed by that Act;

(4) “disclosure, not secrecy, is the dominant objective of the Act,” as noted by the United States Supreme Court in *Department of Air Force v. Rose* (425 U.S. 352 (1976));

(5) in practice, the Freedom of Information Act has not always lived up to the ideals of that Act; and

(6) Congress should regularly review section 552 of title 5, United States Code (commonly referred to as the Freedom of Information Act), in order to determine whether further changes and improvements are necessary to ensure that the Government remains open and accessible to the American people and is always based not upon the “need to know” but upon the fundamental “right to know”.

SEC. 3. PROTECTION OF FEE STATUS FOR NEWS MEDIA.

Section 552(a)(4)(A)(ii) of title 5, United States Code, is amended by adding at the end the following:

“The term ‘a representative of the news media’ means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term ‘news’ means information that is about current events or that would be of current interest to the public. Examples of news-media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of ‘news’) who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news-media entities. A freelance journalist shall be regarded as working for a news-media entity if the journalist can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation; the Government may also consider the past publication record of the requester in making such a determination.”.

SEC. 4. RECOVERY OF ATTORNEY FEES AND LITIGATION COSTS.

Section 552(a)(4)(E) of title 5, United States Code, is amended—

(1) by inserting “(i)” after “(E)”; and

(2) by adding at the end the following:

“(ii) For purposes of this section, a complainant has substantially prevailed if the complainant has obtained relief through either—

“(I) a judicial order, or an enforceable written agreement or consent decree; or

“(II) a voluntary or unilateral change in position by the agency, provided that the complainant’s claim is not insubstantial.”.

SEC. 5. DISCIPLINARY ACTIONS FOR ARBITRARY AND CAPRICIOUS REJECTIONS OF REQUESTS.

Section 552(a)(4)(F) of title 5, United States Code, is amended—

(1) by inserting “(i)” after “(F)”; and

(2) by adding at the end the following:

“(ii) The Attorney General shall—

“(I) notify the Special Counsel of each civil action described under the first sentence of clause (i); and

“(II) annually submit a report to Congress on the number of such civil actions in the preceding year.

“(iii) The Special Counsel shall annually submit a report to Congress on the actions taken by the Special Counsel under clause (i).”.
